

First Forensic Ltd have announced the appointment of Gary Lee Walters as their Business Development and Marketing manager. Gary was the founder, co-director and Business Development Manager of StretLawtLtd® and UniLawStudents™.

Andrew Wade, Director of First Forensic said “We are confident that Gary will enable the business to build on its excellent reputation and really take the business forward in both well established and new directions”.

Gary possesses a strong interest in Forensic Science, in particular computer “forensics”. He understands business and how to develop and nurture clients, utilising all available resources.

Gary is a published author (criminal law), motivational speaker, event organiser and effective networker. Gary was formerly a tutor and lecturer in law. He was awarded an LL.B 2:1 with Honours from the University of Glamorgan, and went on to gain a Post-Graduate Certificate in Education from Cardiff University. He has lectured at several Universities and acted as Social Media advisor to educational establishments and organisations alike.
